In order to be in full compliance, you must insure that each forklift operator also receives Hands-On Evaluation from the Designated Onsite Evaluator.

- Print a copy of the Evaluator Designation Letter—complete and keep in your safety file.
- If you haven't already printed the Hands-On Evaluation forms, you can access them using the student's user name & password to gain entry to the site.
- Keep the Certificate of Completion together with the Hands-On Evaluation form in the employee's file.
